## Why We're Different:

- ▶ **24/7 Monitoring By EMT/EMD Certified Operators**  
Award-winning operators who care about your safety.

- ▶ **Automatic Fall Detection**  
Add to any plan, initiates call when a fall is detected.

- ▶ **FREE Text Message Notifications**  
We text & call your contact list in an emergency

- ▶ **FREE Lockbox**  
Let EMS enter without damaging the door

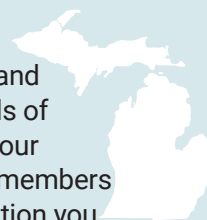

## Try In-Home Risk Free

*We're so confident you'll be delighted, take up to 14 days to make sure it's right for you.* If not, simply return it within the trial period for a full refund.

## About us

We're a Michigan based, family-owned and operated company protecting thousands of seniors in all 50 states. We're proud of our service, and we protect our own family members with it too. You'll get the personal attention you expect from a family-owned company.

**Service Available In All 50 States**

**Live independently with help from our most advanced technology**

## Tops in Customer Service

We believe customer service makes all the difference!
